

Heroin Anonymous (HA) is a fellowship of men and women who have found a better way of life, free from heroin addiction. Our fellowship is based on a twelve-step program of recovery - and if you wish to join us, we are here to share what we have found. There are no dues or fees for membership; the only requirement is a desire to stay sober. We are here to assist the next person seeking help with their own addiction.

Name: _____ Phone Number: _____

If you would like to request that a Heroin Anonymous member from your area reach out to you, and assist you in connecting to your local HA community please E-mail us with your contact information at:
